ДЕКЛАРАЦИИ СООТВЕТСТВИЯ

Декларации соответствия выданы производителями RF (радиочастотного) оборудования, элементы которого использованы при изготовлении вашего автомобиля Range Rover.

Эти производители заявляют, что изготовленные ими компоненты соответствуют применимым нормам директивы R & TTE (Оборудование радио- и телекоммуникационных терминалов).

Согласно этой директиве производители радиоустройств малого радиуса действия должны представить свои сертификаты о том, что их радиооборудование, устанавливаемое на автомобили Land Rover, пригодно для использования, а соответствующая декларация входит в комплект документации автомобиля. Эта декларация содержит всю информацию, необходимую для проверки технических характеристик оборудования.

Примечание: Декларации соответствия публикуются на родном языке производителя RF оборудования в соответствии с Директивой R & TTE.
